Run for Green - Registration Now Open!

The 11th annual Run for Green, will be held Saturday September 17th in Davidson! There

will again be 1/2 Marathon, 10K, and 5k races. You can register for this year's Run for Green at [Run for Green 2016](#). We had a Patrick Johnston Hill Strava Challenge this past month, and the winner of that is Derek May! Derek gets a free race entry to Run for

Green--Congratulations Derek! If you are

interested in checking out the course ahead of time, *Omega Sports will be hosting a preview run of the Run for Green course on August 20th at 7:30am.*

There are also tons of volunteer opportunities to help with the race, so email autumn@davidsonlands.org if you are interested in volunteering on or before race day. We are grateful to our many sponsors who support the Run, including **MSC Industrial Supply** as our title sponsor, based right here in Davidson. Our Gold Sponsors include **Ingersoll Rand, LKN Realty, iQmetrix, and Davidson Day School**. We are so grateful to each of these local entities for supporting our race and the mission of the Lands Conservancy.

Meet Our First Roy Alexander Summer Intern

Susannah Cooley

Hi, My name is Susannah, and I am very excited to be working as the Davidson Lands Conservancy's summer intern! I am a junior at Davidson College and I come from Bronxville, NY. At Davidson College, I am studying as an Environmental Studies major, with a concentration in environmental science. This coming fall, I will be traveling to Madagascar where I will be studying resource management. Outside of class, I enjoy spending time outdoors hiking and canoeing. I spend most weekends leading trips for Davidson Outdoors.

If you have any questions, I can be reached at sucooley@davidson.edu

WOW: Creepy Crawly Critters with Corey Sperling

Saturday, July 23, 9:30am-11:00am

Creepy crawly critters are found all around us -- under logs, in trees, and zipping around. Discover what makes these creatures so cool by observing them up close. Get ready to have a down and dirty good time. Join WOW and Corey Sperling, Environmental Educator with Mecklenburg County Parks and Reedy Creek Nature Center, for a great day in the woods.

This outing is for children with their families. **The minimum age is 3 years old.** Wear sturdy shoes as we'll be on a dirt trail. Remember to bring water – and magnifying glasses if you have them. No strollers or dogs please.

Location and directions will be sent to those with confirmed registration. At the site, we'll ask you to sign a waiver form. Please note that registration closes at 5pm, Friday, July 22.

All registration requests and any other questions about this outing or other WOW events must be emailed to dlc.wow@gmail.com. If you have registered, but then find you're unable to attend, please contact WOW as soon as possible so that another family can attend: dlc.wow@gmail.com.

Interested in Rowing on Lake Davidson?

Lake Norman Indoor Rowing

Lake Norman Indoor Rowing has moved outdoor have three sculling shells which are housed at the Davidson Nature Preserve.
