Industrial Supply Co.

on

Saturday, September 17th! It takes about 150 volunteers to put on the race and we need you! To sign up to volunteer, email autumn@davidsonlands.org or go to the RunSignUp website and click "Volunteer" on the left side of the page. Sign up here: RunSignUp

We need volunteers for packet pick up, course monitors, finish line folks, awards tent, registration tent (the registration tent is for you really early rising volunteers!), and so much more. You can see the various areas where volunteers are needed on the RunSignUp website. (And make sure to use the website in order to get a volunteer t-shirt!)

Thanks to each of you for your support of the Run for Green--and for the DLC and our conservation mission in Davidson!
