## **Vote Early and Often!**

### **Vote for the DLC tree at Christmas in Davidson**

Once again, Frances Dawson of Re/Max ([www.homesatthelake.com](http://www.homesatthelake.com)) has kindly sponsored a tree within the Rotary Christmas Tree Village for the benefit of the Davidson Lands Conservancy!

Buy a ticket (or 10 or 100!) for \$1.00 and vote for your favorite Christmas tree and affiliated charity (that's us). All proceeds will be awarded to the charities based upon their votes. The tree with the highest number of votes will receive an additional donation to the charity they represent.

Christmas in Davidson is December 1-3rd in downtown Davidson from 6p-9p. The Rotary Christmas Tree Village is right on the edge of the Town Green. Come cast your vote for the DLC tree!

## Volunteers Needed for Recycling Initiative at Christmas in Davidson!

### **A note from Davidson Parks and Rec:**

*Hello volunteers!*

*This year we will promote another 'green' Christmas in Davidson through our recycling initiative. Last year's volunteers were instrumental. Can you help out December 1, 2 or 3, for an hour or more (6:00-9:00 p.m.)? If so, please sign-up at the link below.*

**Volunteer opportunities for "Christmas in Davidson 2016" are now open.**

*Have fun and help to educate over 25,000 people about the benefits of recycling at this popular event!*

## Alternative Gift Cards Available

### Creative holiday gift giving

Are you interested in giving an "Alternative Gift" to a friend or loved one this year? You can make a donation to the Davidson Lands Conservancy, and we will send an Alternative Gift Card to your recipient. Or feel free to drop by the DLC office and pick up a few cards if you are interested in sending them to friends and family. A donation to DLC makes a great, sustainable gift for this holiday season!
