Join us for the Earth Day Fair today!

Saturday, April 21, 9:00am-noon, Davidson Farmer's Market

Stop by the Davidson Farmer's Market on April 21 to celebrate Earth Day! There will be e-waste recycling, the ELF electric bike, local beekeepers, and more! Be sure to look out for TreesDavidson, as well as our WOW program while you're there. Kids and adults alike will have plenty of opportunities to learn about how Davidson continues to grow as a green community.

Greenways for Mecklenburg: Northern Town Summit

**Monday, April 30, 6:00pm, D9 Brewing Company (11138
Treynorth Drive Cornelius, NC 28031)**

Come join the new Greenways for Mecklenburg group to learn about the future of North Mecklenburg County's greenways! In 2008, the Mecklenburg County Greenway MasterPlan was passed. The plan calls for 129 miles of greenway to be paved throughout the county by the end of this year. However, only 47 miles have been paved thus far, with 10 of those miles in the northern part of the county. If you're interested in where greenway development is headed and to see how you can help, be sure to attend!
